Hello Birders

Thank you all for contributing to Jim's Christmas Box, he was very pleased to receive it.

Thank you to Maree for producing another super cake for Christmas celebrations with a lovely crimson chat decoration.

We were joined by a pair of whistling kites that had nested in the flooded gum above us while we shared Christmas. They were not perturbed and continued to feed their chicks.

The swamp harrier didn't disappoint and showed up later in the afternoon and we spotted 36 species on

the lake.

A reminder that we are not having breakfast on Saturday but will be having normal morning tea.

We will have a BBQ tea in April at the Landcare Centre.
