Next walk

Marbling Reserve, Mucnea East

8 am, 7th May 2022

Hello Birders

This was an evening bird walk and despite it being a lovely evening it was possibly a bit late in the afternoon as very few birds were spotted. Normally the Landcare Centre is abuzz. Despite this everyone had a great catch up on our 18th Anniversary meeting with lots of great food and much chatter. It was also great to catch up with Olive who made the trip over to share the occasion with us.

Thanks to Mark for cooking the BBQ.

The crested pigeons are not seen that often in the reserves we visit during the year so great to see them at the Landcare Centre. Our family of Pied Butcher Birds were also out and about making their beautiful evening calls. Most of the usual little birds had obviously hunkered down for the night.

Our next walk will be in a reserve that we have not visited before, a quite large bush block opposite the Lower Chittering fire station on Mucnea East Road.

Hope to see you there.

Regards Rosanna and Sue
